

These styles can only be used with Yamaha Keyboards having Indian Kit in them.

Some Yamaha keyboard models use SFF1 format styles while other use SFF2. We have enclosed both type of formats files for the styles SET you just purchased "General Tabla Styles Set 1 - Indian Kit".

- General Tabla Styles Set 1 - Indian Kit - SFF1
- General Tabla Styles Set 1 - Indian Kit - SFF2

If you have Yamaha keyboard model S550, S650, S750, S950 etc... you may use SFF1 format styles.

If you have Yamaha keyboard model S710, S910 etc... you may use SFF1 format styles.

some smaller models may not load these styles because of memory issues.

If you have any problem using these styles, do not hesitate to email us at sales@melodytracks.com
